Dear Mrs Manley,

Charleston is enroute to Tampa Fla

I will see him in a day or so. He wanted me to get him something for April 27th. I will get in touch with you and Bill White as soon as I see him. I will also get in touch with Park people here and Sanford for some after April 22 to 27th. The trade you mentioned does not suit us. I turn the Cubans loose on April 17th. They play at Dexter Park ^{benefit} on May 4th. We are planning an ^{benefit} play for Belgium relief Bld and Robert L Vannon memorial in Richmond VA on May 12th. This game is sponsored by Virginia Union University. It will be a regular league game between Grays and Baltimore. Expect mail by Sat or Mon concerning April 27th. Mrs Manley why don't you get someone busy in Daytona and get White Park for a night game. The Clowns played in there twice last year. We could play you there on April 16th.
